

BEST PLACE TO
TEACH YOUR INNER PSYCHIC
**SCHOOL OF
MEDIUM ARTS**

"Psychic" is such a loaded word; think of it in terms of being in tune with the spiritual realm. If you want to get more in tune with your own ability to understand the unseen, try Murray's School of Medium Arts. Ever wanted to know how to give a tarot reading? Perhaps the throwing of rune stones suits your fancy. Or reading palms. Tracey offers beginner-through-advanced classes in all of these and more, in addition to performing her own readings. It's bound to be of greater value than an English degree.
